No. 25

MARCH 70

What do you have to do to get bowlers to help raise money for themselves, so that representative honours can be given to performers of skill and ability, and not have them turn down the opportunity because of personal financial circumstances.

Last month the LABA Executive put on a grand Valentines Night at Nth Harrow Bowl, a huge venture on their behalf in booking Mr Acker Bilk, it having been put to them that they did not make enough money at their last function as it was not staged big enough. Well they went big this time, only to find that if it had not been for some good friends of the Association and the considerable help and assistance from ABC the function would not have broken even.

One may well ask - where was everybody? Why only the support from the few staunch supporters of the Team Fund? It was understandable perhaps that support was not forthcoming from the average Joe Bowler - as there was not one top Male bowler in the centre that night.

It is reported that the Lord helps those that help themselves - at this rate Great Britain never will see Mexico in '71, neither for the World Championships or even sweeping up the concourse of the rubbish.

## A. G. M.

The Annual General Meeting of the London Area Bowling Association was held at Wembley Stadium Bowl on March 8th, starting off with the now established League Officers Tournament, this year being won by Executive member Dave BENNETT partnered by J. PEWTRESS representing the Friday Mixed 3's league from Tolworth - holders of the No 1 sanction number for the past four years.

The tourney was followed by an excellent buffet laid out in the Starlight Restuarant and followed by a 1½ hour film show. Tea and Biscuits were then served prior to the A.G.M which started at 4pm, and was attended by over 60 members, with 29 leagues being represented.

The meeting was even more of a social occasion this year than it was last year, being made more than homely by a half hour open discussion on general bowling topics and problems within the sport, after each secretary or representative had been introduced to the body of the meeting. The business end of the meeting was efficiently looked after by President Bunny McRae, who revealed to the meeting that the Proprietors and the Association had got together at last to discuss and settle the differences each had had in the past, and reported that Centre Managers in the future could openly encourage the BTBA, and that Proprietors would no longer insist on independant certification of their lanes and the governing body of the sport would no doubt again be active in the function of looking after bowlers interests in the field of uniform conditions.

The eight page report on the year was dealt with smoothly and expediently and anyone who would like a copy of these may obtain them by dropping a line to the Area office or putting a request on the tape. The meeting came to an end at 6.20, with all having had an enjoyable day out in place of the chore that many AGM's usually are.

## HELP!

The Post Office are returning mail sent to the following persons at the addresses that they gave on their Membership Application cards. Would they therefore contact the League Service Office with the correct address.

R.J. Boyle, 85, Forest Hill, SE5  
Ray Johnson, RAF Brize Norton, Oxon.

## MEMBERSHIP OFFICE

The new office, set up to reduce the congestion at the Area office, is now running quite smoothly and many secretary's are using this facility already, with the effect that their requirements are being processed more speedily.

We are now able to announce that the Post Office have answered our distress calls and installed a telephone line.

SHEILA WALBY will be only too happy to receive your calls for league requirements during the day-time, shopping permitting, and either Sheila or Bill will be available most evenings.

The Area Office will still remain on duty, Tuesday and Thursday evenings and Saturday mornings, commitments permitting, and the office tape will be in operation 24 hours a day.

## NEWS FROM THE STATES

ALL those who attended the film show prior to the LABA Annual General Meeting on Sunday 8th March, were amazed at the seeming ease with which Jack BIONDOLILLO threw that first ever televised 300 game, during the 1967 \$100,000 Firestone Tournament. It was noted however that many of the audience were left wondering who eventually won the tourney, as the game shown was only the first match in the stepladder finals.

Your reporter duly looked into the record books and found the following: BIONDOLILLO went on to defeat Mike DURBIN 188-181, only to lose in the next round 228-172 at the hands of Don JOHNSON. The championship match between JOHNSON and Jim STEFANICH resulted in a 227-227 draw and the 2 frame playoff saw Johnson produce a split while STEFANICH shot him down with three in the 1-3 pocket to walk off with the \$25,000 first prize. By the way, BIONDOLILLO's perfect game was only one of four rolled during the tournament !!!

The results of the annual event in America in which the bowling writers, sports editors and broadcasters chose their ALL America Teams were announced as follows: 1st Team. Billy HARDWICK, Dick WEBER, Jim GODMAN, Dick RITGER, and Don JOHNSON. 2nd Team. Jim STEFANICH, Dave SOUTAR, Don GLOVER Mike McGRATH and Bill ALLEN.

The 1970 PBA Tour is now well under way and following are some of the latest results:  
Kansas City, Mo: Jim STEFANICH who had not won a PBA Tourney for 18 months came good in the \$60,000 Ebonite open, when defeating top seeded Dick WEBER 248-233 in the championship game to win the 1st prize of \$8,000. Earlier STEFANICH had to apply the knock out to Jim GODMAN 223 -194 after GODMAN had seemed to be unbeatable with wins over Jimmy MACK 246-197 and George PAPPAS 276-194.

Milwaukee, Wisc: George PAPPAS had to do it the hard way in winning the \$70,000 Miller High Life Open. Starting from 5th position in the championship stepladder he had to bowl his way passed Johnny GUENTHER 233-202, Jack BIONDOLILLO 213-156, Ed BOURDASE 245-221 and in the championship game Bobby COOPER 203-199, to win the \$10,000 first prize.

Toledo, Ohio: Nelson BURTON Jr walked away with the \$6,000 first prize in the high scoring \$50,000 Buckeye Open. In the opening match of the stepladder final Ed THOMAS won a close match against Jim STEFANICH 207-205 and went on to beat Bob STRAMPE 230-161 but was then overawed by Ray BLUTH who finished with Ten-in-a-row for a 280-211 victory, only to come up against Nelson BURTON Jnr who ran out 243-215 winner.

## NATIONALS

Squading has now been completed for the 9th National Championships to be held at Crawley in April. The number of entries has made it necessary to extend the Tournament over two weekends and the following schedule looks a much more comfortable working plan:

Sat 11th & Sun 12th; Singles, Doubles and Team events, mainly in the Female division with the Ladies Masters Championships being rolled at 3.45 pm on the Sunday.

The following weekend 18/19th will take care of the rest of the Regular Division with the Men's Masters Championship on the Sunday at 3.45 p.m.

First squads on both Saturdays will not start until 11.15am.

The Information pamphlet on the Nationals which will include all squad times and the full schedule, will be available 1st April and anyone not entered in the Nationals may obtain a copy either from Head Office or the L.A.B.A. Office

A big welcome back to London to RON RODDAN from the USA, he was one of the Original League Secretaries at Golders Green, and an organiser of the Haig Tournament.

Another welcome back... this time from hospital for NELL BOWEN, who is much better from her illness and is expected to return to the lanes very soon.

The Video Tape experiment at Wembley was enjoyed and supported by London Bowlers and we look forward to another session in the future.

The Pile of Pennies at North Harrow, knocked over by Richard Attenborough in aid of Muscular Dystrophy made the Guinness Book of Records and over £400 for the Charity.

Congratulations to young MICK TOBIN at the 'HILL', who hit a 221, 221 & 274 for his 716 entry to the '700' Club.

## G.B. Ladies

The Great Britain Ladies Teams finished their last match of the series of practice sessions on Sunday, 15th March. Now all that remains is their last get-together at the Nationals where they will be bowling in their respective teams, before they depart on 8th May for the Stateside Tour.

The following unratified averages have been rolled over 36 games, except where stated, under conditions of varying sorts, and of course at no time being pushed other than by each other.

|              |          |

| D. MILES     | 169      |
| W. COLLISON  | 168      |
| A. POND      | 164 (21) |

The girls have asked us to thank all those bowlers proprietors and administration officials who have made these practice matches possible, not forgetting of course Mr. Paul Lane who through the courtesy of AMF have endeavoured to better the ladies games.

## ANNUAL AREA CHAMPIONSHIPS

Once again we enclose an entry form for the Area Championships with this edition of Pinformation - A practice which should ensure that all members of the London Area receive a reminder to enter their own Tournament. After last years bumper entry we expect the growth of Competition that is occurring to continue, and so it will be first come first served with regard to squad times.

So get your entries in early and you will receive acknowledgement from Dave Bennett who will once again be Tournament Committee Secretary, his number for any queries is 01-768-2921. This year the committee have decided to hold the 1st Junior Singles Championships for this Area and we hope that they will recognise the opportunity and make it a memorable first ever.

## AROUND THE LONDON CENTRES

### HOUNSLOW

The battle between the SCEPTRES and the HARRY STILLERS RACERS for supremacy of the Metropolitan League is slowly edging in favour of the Sceptre. They have dropped only 1 point in the past 6 weeks whilst the rivals have slipped slightly dropping 8 points over the same period.

The recent meeting between the two teams produced a feast of superb bowling. The SCEPTRES opened with a 988-964 win, but this game was overshadowed by the electrifying bowling in the 2nd. The Stillers opened an early gap and were six marks ahead by the eighth frame, but even this was not enough to stop Sceptres snatching the point with a 1000 - 987 tally. The 3rd game followed the same pattern but the Stillers held their lead to win 1014 - 969.

The ALL-girl HIPPIES team also created quite a stir in recent weeks for they defeated the Stillers 2-1 and later during their victory over the RAMBLER CLASSICS, Karen SHARPE hit a superb 194-257-210/661 series. The Metropolitan Singles League is also producing some excellent scores. In a recent match Geoff LIDDIARD hit a fine 649 set, but found that even this score wasn't enough to give him victory over Chris BUCK who hit a 662 series.

### WEMBLEY

The Camelot League which rolls every Thursday evening at 10.45 p.m., is becoming a force to contend with at Wembley. Apart from competing in tournaments and arranging special challenge matches with leagues in other centres, they recently arranged a Moonlight Bowl, in aid of the Save the Children Fund, and collected £41. In addition, the Save the Children Team, from Chesterfield captained by the REV. PERRY won the Tournament and picked up a cheque for £25. One of the members of the Camelot League is MICHELLE HARRIS, who has recently been co-opted in an acclimation position on the LABA Exec., Committee. 'Mich', as she is known to all at Wembley also bowls in the Sovereign Ladies, and the Internationals and when she is not helping her husband DEREK (another keen bowler), in his hair-dressing business, can often be seen during the day on the Stadium Lanes.

Following the closure of Golders Green Bowl, Tony BASS President of the Baltic Lg., who ran the 'Green' Juniors, hired a coach and brought the youngsters to bowl at Wembley the following morning. Now they are regulars on the Wembley Lanes every Saturday morning. The Golders Green 'Exiles' as they are known, are competing in the Y.B.C. Tourney at Tolworth, so it looks as though no up and coming youngsters from the Green will be lost to the Game. Whilst on the subject of the Rank closure, a word of praise for the Rank Management, who

### EDGWARE

In the Classic Fives League with only 5 more weeks to go the team positions are very interesting, with the GREY-HOUNDS appearing to have it sewn up with 56 points, four points ahead of BRUNSWICK JETS with WEMBLEY ALL STARS following a close 3rd with 50 points. The leading local team still being PHEONIX who have 38½ points.

Although the SCEPTRES are a little behind the leaders they have rolled some high games and series, currently holding two house records with an 1106 game and a 2931 series. Rolling with the Sceptres, Chris BUCK is surely the king of Edgware, having conquered the lanes he is currently holding the highest average with 190 x 66 his last three series being 608, 677, 611 well done Chris, keep going.

re-imbursed Tony Bass for his expenses concerning the coach and for arranging to sell house balls to genuine Green League Bowlers at a special price. L. Myne of the Grandees in the Empsta League, has yet to hit a '600' in League, but recently went to town in the 'Trip to Dublin' Tournament, sponsored by the Irish Tourist Board, when he hit 619 to win the Tourney, with team-mate, R. TREADWELL who put in a 500. Together with their handicap they totalled 1245, beating by five pins their nearest rivals, Mr. & Mrs. Papp, from the Camelot League, and HELEN DIXON from the Sovereign Ladies and her young son.

## HODDES DON

The Tuesday Two's League find the EATONS leading the field with 59 points. Philip PARKER holds the high series and game with 591 and 230 and Mary EATON with a 529 and 197 holds the Ladies honours. The DOUBLE T's hold the top spot in the Turnford Doubles League with E.HOBBS hanging on to the high series and game with 589 and 235, just pipping John ALLISON with a 233 game. Both of the above Leagues are progressing by leaps and bounds and it is pleasing to note the predominance of former juniors in the high scores.

Despite the dissapointing entries in the 1st Hoddesdon Junior Championships they were a resounding success. We are sure that if those centres who did not enter could have seen the magnificent display of trophies and the enthusiasm of those bowling and the wonderful free buffet afterwards, (my how kids can eat) they would have been full of regrets at not entering. To the reporter the whole tourney was worth while, just to see the pleasure and excitement in the face of M.SHARPE from Bexleyheath who was breathlessly telling everyone that she had just rolled her 1st 500 series. To top it all she rolled another during the afternoon.

Congratulations to Bill RANDALL and his helpers for a fine show and to the sponsor John ANDERSON for presenting the prizes.

## SLOUGH

The house team WINDSOR ROYALS of Bill STACEY, Frank STAMMETT and Frank EARIS were edged into 2nd place in the Mad Hatter Trios 27 game Tournament on Sunday 1st March. They were defeated by the BRUNSWICK JETS team of Brian WILKINS, Colin PRESLAND and Joe KILIAN by only 63 pins. The JETS 'A' team came third.

World Trios 12 hour record; whilst not a recognised sanctioned event, we thought we would mention that two brave teams will be bowling for the 27,927 pin record at the Acorn Bowl, Wokingham, Sunday 15th March. They give the reason as - for the sheer hell of it and the proceeds will go to the Save the Children Fund.

On the Supreme Scratch Fours League SAAB hold the No 1 spot with 51 points followed by WINKRACE 46 pts and WINDSOR ROYALS 45 pts.

Team high series and game by WINDSOR ROYALS 2339 and 821.

Individual high series 657 by F.STAMMETT and game 277 by W.UWINS.

Dont forget there will be a 2nd Annual next year.

## STEVENAGE

Newcomer to the 600 range Chris HUCKER who registered a 244 game in his 605 series, his first ever better than 600 in league play. Chris a regular leaguer at Stevenage has improved his average considerably this year. Could be that one day he will be a challenge to the 'other Chris'.

With the snow that we all know about by now, there was some doubt about the safe arrival of the centreless bolwers from Cambridge who were due to start that week at Stevenage. But although not all made it, we were able to extend a warm welcome to the many who braved the elements.

Peterson conditions are tough so they say, but Frank SIMMONS did not altogether agree. After bowling a 925 over 5 in the Peterson at Edgware at 5 in the morning. This is made even more outstanding when one knows that Frank had not bowled a ball 12 months ago.

Foremost in the Tournament calender at Stevenage is the Simmons Singles to run thro' the Whitsun weekend - a h/cap and scratch tourney which attracted over 200 entries last year, and an even greater total is anticipated this year

FRED TARBOX is still waiting to hear from any Bowling GRANDFATHER to make up his special Team. Write to him c/o either Harrow or Wembley Centre.

## TOLWORTH

A lot of news from Tolworth this month.

The Great Britain mens team cracked the Leisure Men in a challenge match the other Sunday. The match (second in two months) was part of a campaign to raise fund for the Great Britain team. The Leisure Men a team representing and named after the Sunday Morning Leisure league, lost by 378 pins.

A team from McCormack Foods(UK) Ltd calling themselves the Dill Weeds(UK) played a transatlantic telephone match against the American parent Co in Baltimore, Maryland who named themselves the Tigers(US). The English Dill Weeds hit 2458 over here and won by 56 pins.

Main news is from the 5th Annual House Championships, with 104 entries this proved to be the best yet.

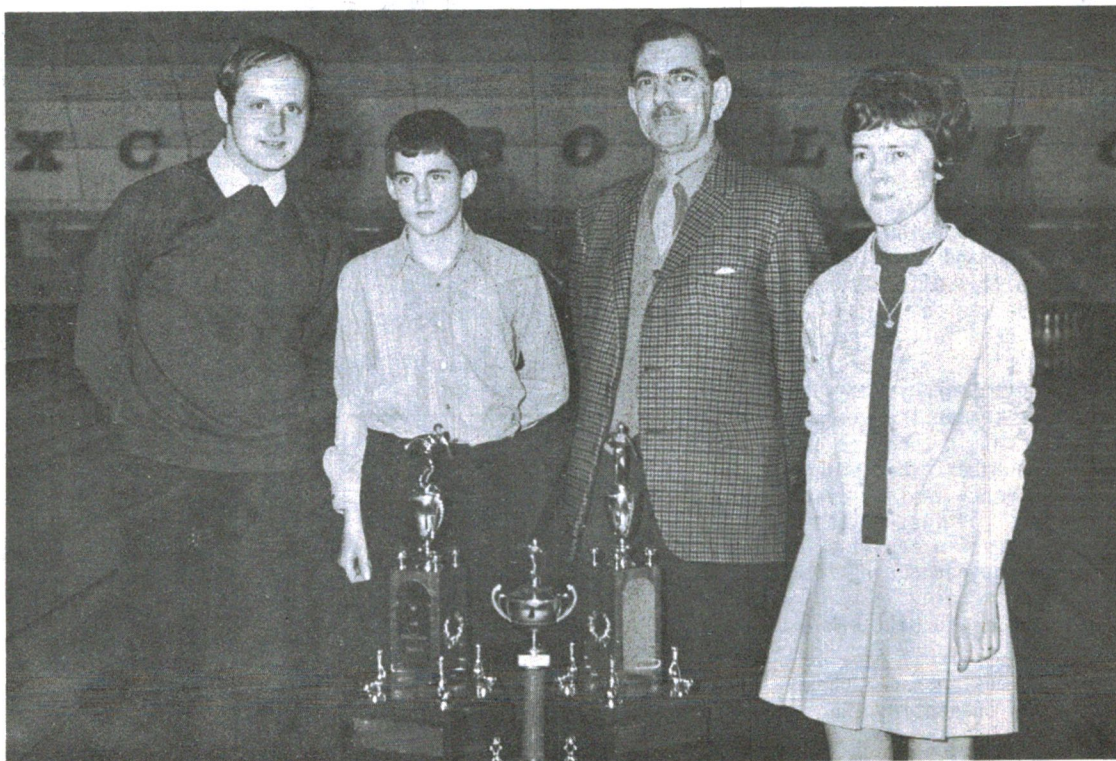

Danny SMITH bowling in the Junior Division proved a worthy Champion with a 203-188-178/569 series with Ian NICHOLLS 529 second and John FOWLER 511 third.

The Ladies division saw some very close bowling, the winner being Wyl Collison with a 5 game series of 877, runner-up Pam Stent 876 and third place went to M.Herring 848. Although Pat NEWBURY bowled the highest game of the afternoon in the Mens division, Ian BRUMMER just bowling a little more consistently won the division with a 169-187-204-221-232/1013, Pat NEWBURY's 251 game helped to give him the runner up berth with a 988 and in third place was Phil BOWRY with a 983 series.

A presentation was made after the tournament by Mr J.M. Bentley, General Manager of Excel Bowling.

## LEWISHAM

News from this centre comes from Alan NORRIS newly co-opted on to the Executive committee as centre representative in this locality. He writes of a new Scratch Singles league getting off the floor at the moment, only six bowlers are involved at the moment, but hopes are that it will grow into a 12 man league at the start of the second round. Alan himself has set the high game of 210 and W. McCARTNEY the series of 546. Maybe it will not be long before the house record of 643, set by Tom GRAHAM whilst he was hitting an unsanctioned 300 early in '69, is broken and the centre has a 700 club member.

## AIRPORT

The other evening on the Skyport League some good scores were hit. Mick GREEN had a wonderful try at the league high series, held by Dick PHILLIPS at 653. Mick rolled games of 231, 224 then could only tie with the 653 figure by hitting a 198 in his last game. Further down the lanes Colin MILES who bowls a ball with three finger holes as he only has that number of fingers on that hand, but that evening he had to bowl with his index and little finger as he had a swollen, what to him is, a middle finger. He rolled a 560 only to find at hospital in the morning that the swelling was a broken bone. Perhaps that is what's wrong with our bowling - we've got too many fingers!!!

## NEW SPONSOR

Eddie Dent's 'RACING STARS', one of the first sponsored teams to roll at Excel Bowl, Tolworth, have accepted a new sponsor, namely BOWLRITE LTD, and now roll under the name of BOWLRITE 'STARS'.

The company now in its fifth year of trading, and one of the country's largest retailers of Balls and accessories, in their latest effort to satisfy the Bowlers ego, have introduced the Brunswick 'GRABBER' as advertised in this edition.

Ken Baker the firms Managing Director captains the 'STARS' well supported by the sportiest and most likeable keggers in Brian Rice, Phil Bowry, Dave Bundy Keith Hellewell, Pete Seaman and Barry Cox, with reserves Mick North, Vic Baker and Phil's daughter Pauline always ready to help in maintaining the teams fine example of sportsmanship. The 'STARS' are currently leaders of the Classic and Surrey Comet leagues and holders of the house record, 2921 for 5 man team. Good luck in their new sponsorship.

## Nth. HARROW

On the Tuesday Trios League, the lead is at present held by UNION who have a three pt lead over PEGASUS and both teams are pulling away from third placed DEVIL BOWLERS. The battle at the bottom of the league finds ANGLO CONFED-ERATES a mere three points behind the team above and closing fast. If their form continues there should be a change in this position shortly. League high series is held by Del DIBBLE with a 611.

The Cocktail League Leaders SEXY PLUS TWO (Anna & Derek Gay and Bill Walby) after an eighteen week undefeated spell ran into an 8-0 drubbing in a high scoring match against 2nd placed FORMULA THREE (Vic Hicks Ian Brooks, Ian Clark) which has reduced the differential to only six points and thus opened the way for a grandstand finish to the schedule. In 3rd place, some 14 points behind 2nd are JINX (Rita & Steve Dalloz and Pauline Gibson) who are battling for this position with MUSKETEERS.

League high series is at present held by VICEROYS 1730 and game by SIOUX 642. Individual series Alan COUCH and game Rita DALLOZ, 676 and 252 respectively.

## A Fishy Tale

Tug WILSON, apart from promoting leagues, tournaments etc, has been out teaching Dolphins to bowl. Yes real live Dolphins at Windsor Safari Park. Commenting on this learn to bowl programme Tug said they are real intelligent, in fact more so than some human beings. They now bowl strike after strike with only a few weeks practice. What next !!! An ELEPHANT league?
